STUDENT SUCCESS

Matthew Sattler had a good job at a local Chevy dealership; however, he wasn't able to advance because he didn't have the opportunity to complete high school. After enrolling in the GEAR program, Matthew's dream of serving in the Air Force became a reality once again. Today, Matthew is protecting your freedom and mine. Matthew hopes to eventually deploy with an emergency relief team to aid natural disasters and he credits the GEAR program for preparing him for his career.

**Basic Rider CourseSM (BRC)****BRC MOTORCYCLE COURSE**

The Basic Rider CourseSM is a 22-hour course and is aimed at beginning riders of all ages. It is also a great course to reintroduce yourself to riding if you are re-entering motorcycling after not riding for a few years. The course consists of classroom and range/riding time. Practical riding skills are developed in a controlled, off-street environment. The course is mandatory for motorcyclists under the age of 18 in the state of NC. Also, participants under the age of 18 must have a release form from both their school and their parent/legal guardian in order to take this course. Participants must attend all sessions fully to get credit for the class. Graduates of the course will receive a waiver card for the NCDMV. This waiver card provides an NCDMV endorsement on your license without having to take the NCDMV riding test. You will still have to pass the NCDMV written exam and vision exam in order to get your full endorsement. Graduates will also receive a completion card. This card could potentially qualify you for discounts on your insurance.

Defensive Driving

The Defensive Driving program is made available through BCC and the National Safety and Health Council to train motorists in the principles of defensive driving. Brunswick Community College offers programs [4-Hour Defensive Driving (Green School), 8-Hour Attitudinal Dynamics of Driving (Red School)] that may minimize or prevent points on your driver's license and insurance.

DEFENSIVE DRIVING

Brunswick Community College is currently offering 4 Hour & 8 Hour Defensive Driving Online. Please contact Continuing Education and Work force Development at 910.755.7378 for more information. You will have up to 14 days to complete your training after entering into the online class for the first time. You may leave and return to the program as often as you like but access will expire after 14 days, whether completed or not. If not complete from one month of registering with Brunswick Community College you will be required to register and make an additional payment. You must complete the entire course to earn your Certificate of Completion. The Safety and Health Council of North Carolina will e-mail you electronic notification of course completion within three business days. The Safety and Health Council of North Carolina will also provide an original, security controlled National Safety Council Defensive Driving Course Certificate of Completion. This Certificate will be mailed directly to you, by US Postal Service, at the address provided when you registered.
