

### DRUG & ALCOHOL POLICY

The use and abuse of drugs and alcohol are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users and/or abusers of drugs or alcohol may impair the well-being of all employees, students, and the public at large which may also result in damage to College property.

Therefore, in compliance with the Federal Drug-Free Workplace and Drug-Free Schools and Campuses regulations, the College's policy is that the unlawful use, being under the influence of, possession, manufacture, distribution, or dispensation of controlled substances or alcohol is prohibited while on College premises or as a part of any College-sponsored activity. Also, a student determined to be under the influence of a controlled substance or alcohol while on College premises, or as a part of any College-sponsored activity, is subject to disciplinary action. Any student violating this policy will be subject to disciplinary action up to and including expulsion and referral for prosecution.
