A GUIDE TO LEGACY GIVING

At Brunswick Community College (BCC), accomplishing our mission is only possible through the help of our incredibly thoughtful and generous community of donors and friends who believe in turning our students' dreams into reality. Our students are dedicated to reaching their educational goals, and the BCC Foundation is dedicated to helping make that happen by providing donors with meaningful opportunities to change lives.

Through fundraising initiatives, community engagement, and stewardship of existing funds, the Brunswick Community College Foundation supports:

- Scholarships for students in curriculum (College Transfer, Professional & Technical, Health Sciences) and continuing education/workforce development programs that include annual scholarship awards and endowed scholarship funds.
- Giving programs/events including: Fins Fan Club Scholarship Program for Student Athletes, Men and Women in Philanthropy & Leadership, and the Foundation's signature fundraising event, Bella Italia.
- Funds are also raised through legacy giving, annual gifts, campus naming opportunities, grant writing, and corporate sponsorships.

Legacy Giving at Brunswick Community College

Bequest: The easiest gift to make of all legacy giving opportunities is the bequest. Instructions may be made by you to name the BCC Foundation as a beneficiary in your existing will or living trust. A bequest may be a set dollar amount or a percentage of an estate. The proceeds will transfer to the Foundation when your estate is settled. As a donor, you may designate how the proceeds of your gift will be used by the Foundation.

Appreciated Securities: If you have publicly traded securities (such as stocks, bonds, mutual funds) that you have owned for more than one year, these assets may be donated to the BCC Foundation. The Foundation will sell the security and keep the proceeds. You will receive an income tax charitable deduction based on the value of the security when it is sold. You will avoid a capital gains tax on the gain you made while holding the security. As a donor, you may designate how the proceeds of your gift will be used by the Foundation.

Life Insurance: You may use life insurance as a legacy gift to the BCC Foundation by designating the Foundation as a beneficiary of all or a percentage of an existing life insurance policy benefit. This is an easy gift to make. When your estate settles, the proceeds will go to the Foundation. As a donor, you may designate how the proceeds of your gift will be used by the Foundation.

Retirement Plans: If you have an IRA, 401(k) or any retirement plan, you may name the BCC Foundation as the beneficiary of all or a portion of your assets. When your estate is settled, the Foundation receives the designated amount, and your heirs avoid estate and/or income taxes on the amount donated. As a donor, you may designate how the proceeds of your gift will be used by the Foundation.

IRA Rollover: Known as a qualified charitable distribution, an IRA rollover will permit you to make a gift to the BCC Foundation of up to \$100,000 if you are over 70 ½ years of age. This will be a tax free transaction to you and may actually lower your taxes. As a donor, you may designate how the proceeds of your gift will be used by the Foundation.

“Your compassion is contagious. What you do as a donor is help us continue on our journey as students pursuing degrees. You also inspire us by being kind and showing us that there are good people out there who care and want to help us succeed.”
