**FULL STEAM AHEAD!**  
SCIENCE • TECHNOLOGY • ENGINEERING • ART • MATH

## About the North Carolina Science Festival

The **NC Science Festival** is an initiative of **Morehead Planetarium and Science Center** with support from **BioNetwork** and the **NC Community College System** which highlights the educational, cultural, and financial impact of science in North Carolina. Our mission is to inspire children and adults alike in the pursuit of science-related careers and encourage new business investments to North Carolina.

### Get Ready for Fun and Science!

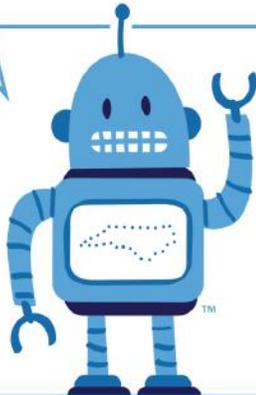

Explore science concepts in imaginative ways by:

Launching a rocket!

Making art with plant pigments!

Powering a boat with soap!

And much more!
