Mental Health and Wellness

Prehospital healthcare is a service industry type of profession. We help others in their time of need, which is very rewarding yet also stressful. With this in mind, maintaining a healthy balance related to your mental and physical health are extremely important.

Functional Job Analysis/Characteristics and Expectations

The National Highway and Traffic Safety Administration has a Functional Job Analysis for all levels of EMS providers, located here: https://one.nhtsa.gov/people/injury/ems/EMT-P/disk_1%5B1%5D/Intro-C.pdf
