Comments:

South Carolina Department of Labor, Licensing and Regulation courses and processes (including recertification and reciprocity) is currently under revision. Please contact Tim Wojcik, training coordinator, at (803) 896-5454

States that utilize National Fire Protection Association standards (NFPA1031) will not accept fire inspectors from NC without additional training in the state in which the applicant is applying.

Missouri will accept fire inspectors from non-NFPA state like NC if candidate passes a written exam. This can be found on page ten of Missouri’s application- <https://dfs.dps.mo.gov>
