# REGISTRATION INFORMATION

## **PAYMENT IS DUE AT TIME OF REGISTRATION.**

Continuing Education students must submit registration form and payment at least 3 days prior to the start of class unless stated otherwise. Registration forms are available in the Continuing Education, Workforce Development Department and online at [www.brunswickcc.edu](http://www.brunswickcc.edu). Please make checks payable to Brunswick Community College (BCC). If your check is dishonored or returned for any reason, we will electronically debit your account for the amount of the check plus a processing fee of \$25.00.

## **A WORD ABOUT WAITING...DON'T WAIT. REGISTER EARLY.**

Have you ever signed up for a class only to find it canceled for lack of enrollment? Here are two ways to help keep your selected class on the schedule. Register early - do it today! Each class has a minimum enrollment requirement. Once that number is reached, the class is a go. If you find a class you like, encourage a friend to join you. Sometimes two or three people can make the difference between a Go or Cancel. So, the word about waiting is DON'T! Register NOW!

## **WHO MAY REGISTER**

Any adult, 18 years of age or older, may register for a course. Individuals 16 to 17 years old may register upon recommendation of the chief administrative school officer and parent/guardian.

## **REFUND POLICY**

Refunds are allowed under the following circumstances:

- A student who officially withdraws, in writing, from an occupational extension class prior to the first class meeting or if a class is canceled shall be eligible for a 100% refund.
- After class begins, 75% shall be refunded at the request of the student if the student officially withdraws, in writing, from the class prior to or at the 10% point of the scheduled hours of the class. This rule is applicable regardless of the number of times the class meets or the number of hours the class is scheduled to meet.
- For contact hour classes, students must withdraw, in writing, within 10 calendar days.
- Self-Supporting classes will refund 75% to the student with an official withdraw from the class prior to the start date. No refunds will be issued after the start date of class.
- If a student, having paid the required registration fee for a semester, dies during that semester (prior to or on the last day of examinations of the course the student was attending), all registration fees for that semester will be refunded to the estate of the deceased.

## **REGISTRATION FEES**

A registration fee is charged for most Continuing Education courses. The North Carolina State Board of Community Colleges is responsible for our fee structure for Occupation Extension courses.

## BASIC RIDER COURSE SM (BRC)

This Basic Rider Course SM is a 22-hour course and is aimed at beginning riders of all ages. It is also a great course to reintroduce yourself to riding if you are re-entering motorcycle riding after not riding for a few years. The course consists of classroom and range/riding time. Practical riding skills are developed in a controlled, off-street environment. The course is mandatory for motorcyclists under the age of 18 in the state of NC. Also, participants under the age of 18 must have a release form from both their school and their parent/legal guardian in order to take this course. Participants must attend all sessions fully to get credit for the class. Graduates of the course will receive a waiver card for the NCDMV. This waiver card provides an NCDMV endorsement on your license without having to take the NCDMV riding test. You will still have to pass the NCDMV written exam and vision exam in order to get your full endorsement. Graduates will also receive a completion card. This card could potentially qualify you for discounts on your insurance.

**The Brunswick Interagency Program is currently accepting new students. Services for students with intellectual disabilities include:**

**Adult Basic Education** (*Monday – Friday: 8:30-3:00pm*)

ABE courses at BIP are designed to offer a comprehensive learning experience that goes beyond traditional education. Our curriculum includes contextualized learning, which integrates real-world scenarios and practical applications to make learning relevant and engaging. Additionally, we emphasize essential skills such as money management, technology, and advocacy to empower our students in their daily lives.

**Supported Employment**

Students ready for employment can engage in various opportunities, including on-campus transition crews and independent job placements within the community. Our on-campus employment transition crews offer hands-on experience in areas such as food preparation, yard maintenance, custodial work, and cable box/cord restoration. These roles provide valuable skills and practical knowledge that are essential for success in the workplace.

Our supported employment services are made possible through a strong partnership with the North Carolina Division of Vocational Rehabilitation Services (DVRS), local employers, and BIP's dedicated job coaches. This collaborative approach ensures that students receive the support and guidance they need to thrive in their roles. Our job coaches work closely with students to identify suitable job placements, provide on-the-job training, and offer ongoing support to ensure a successful employment experience.
